

QuickShip List Effective 10.15.18

Our comprehensive QuickShip program includes a set of three sample books, the products featured in POP and a few additional options. See the comprehensive list below and at interface.com/quickship. *Products in blue will be phased out of QuickShip in Q1 2019.* Most were POP1 features that will not be included in POP2.

Up to 2,000 SY of the following product options available to ship within 10 business days.
