The image shows a screenshot of the Interface website. At the top left is the logo "Interface". To the right are links for "Products" and "About" with a search icon. Below the logo is a navigation menu with "Featured", "All Products", "Collections", "QuickShip", "Filter", and "Technical Information". On the right side of the navigation menu are three icons: a magnifying glass, a grid, and a square. The main content area features three large images: a modern interior with a wooden counter, two large white objects on wheels, and a modern staircase. A search bar is overlaid on the page, outlined in red. Below the search bar is a tip: "Did you know you can search by Product Name, Product Color Name, Product Number, Color Number, and Collection?". A red arrow points from the Japanese text "タイプ" (Type) in a red box to the word "Product Name" in the tip.
