

World Woven Two

Interface®

World Woven™ Two

In Interface studios around the world, designers work together to decipher trend and interpret it through the lens of local textile histories – from Japan to the UK, the Americas to Australia. In this process, one thing becomes very clear: the most elegant solutions are often the simplest. World Woven Collection™, the 2016 addition to our global library of styles, is deeply influenced by this lesson.

Uncomplicated, hand crafted and imperfect are often the terms of beauty today. In a way, this seems more authentic and more accessible. Familiar objects conjure a sense of security, comfort and well-being. The World Woven Collection draws heavily from textile patterns and woven structures that embody all these things.

At the core of the collection are four patterns that were inspired by classic woolen textiles, rooted in the traditions of plain woven fabrics made for fashion, upholstery and home accessories that are still so essential today. The colors recall undyed wools with just a bit of contrast.

To complement this carefully curated set, are two color studies – one soft, less manicured and one flat and orderly. Following nature's method, each is comprised of many hues mingled together to create a more vivid rendering of color.

For the first time, we've attached three FLOR® by Interface styles, designed especially for the World Woven Collection. Collins Cottage™ and Scottish Sett™ revive the noble houndstooth and plaid while Mod Café™ renews the playful and optimistic patterns of the 1950s. These complimentary patterns can be included in a floor composition to define space, create area rugs or combine with the balance of the collection to add interest and detail.

World Woven Collection is six Skinny Planks™ and three FLOR squares, each with 8 colors and made with 100% recycled content nylon. All nine styles weave together our current predilections with memories we share of some of the most enduring textiles of the past. They are simple, elegant fabrics that keep us warm and lift our spirits.

Specifications

WW860™

Style Code	8109 Pattern 000
Product Definition	Tufted Loop Pile
Yarn/Fibre	BCF Nylon Type 6 – 100% Recycled content
Colour System	100% Solution Dyed
Machine Gauge	1/10
Pile Thickness	2.5mm +/- 0.5mm
Total Thickness	6.0mm +/- 0.5mm
Tile Size	25cm x 100cm
Area of Use	Commercial – Heavy Duty
Lifetime Antimicrobial	Intersept®
Soil/Stain Protection	Protekt ² ®
Total Recycled Content	GlasBac® 65% to 70% recycled content GlasBac®RE 80% to 85% recycled content
Installation Methods	Ashlar, Herringbone
